

Gift a Membership to TheLab!

Does the tinkerer in your life need more room to tinker? Is the maker in your family wanting to explore different possibilities? Maybe your loved one is really interested in 3D printing but doesn't know where to begin.

[TheLab.ms](#) is a local makerspace where we welcome everyone who loves to tinker, make, program, build, and more! You can gift someone a membership at TheLab for an entire year.

- Click the button and purchase your membership.
- Fill out the member information for them, and add your payment information.
- We will send the receiver an email with all of their membership information.
- Their membership will not be activated until they come to the Lab and pick up their keyfob, which grants 24/7 access.
- Done!

**One Yearly
Membership**
