NOT-SO-GRAND OPENING

If you haven't heard, we have all been working very hard for our grand opening. As COVID numbers are getting worse before they get better we have made the hard decision to switch to a not-so-grand opening for now with a real Grand Opening planned for some undetermined time in the future. If you'd like to attend, leadership needs a few things from you:

1. Reserve your spot! In order to make sure that we meet the guidelines for capacity we need to limit the number of people that can come. In order to reserve your seat, you need to sign up on meetup: <https://www.meetup.com/TheLab-ms/events/275620073/>

1a. If you can't make it, we will stream it so you can see what's going on, and I'll be watching the stream comments to provide views of the space and try and answer questions as much as possible! Tell your friends/neighbor/neighbors dog about the stream, let's get the word out! <https://www.twitch.tv/TheLabms>

2. Represent TheLab! Our fearful/less/ing leader [@olisny](#) is working on getting some limited edition T-Shirts for this event. (Link to follow in the next few days, you will have to buy them, but they will be sold at cost.) We want any member that is coming to not-so-grand opening to buy one of these to represent our amazing organization.

Side note: Once the link is posted, you can buy a t-shirt weather you are or aren't going to the not-so-grand opening and represent TheLab anywhere you go!

2a. Leadership requests that if you don't buy a shirt, that you wear something that classifies as "business casual" We expect press to be there, so we want to make sure that the only logos/brands/organizations that are visible by our members are ours!

If you have questions, please reach out to anyone in leadership!

T-SHIRTS ARE HERE!

I have some awesome news, we've got a place for you to obtain SHIRTS. The DIY/local option was a little tight in the timeline considering we want shirts for the grand opening.

In the meanwhile, enjoy! Currently, the commission on profits is set as low as it can go on Redbubble, at 1%. We want all the volunteers and people who helped get TheLab in shape to show off and enjoy a shirt! This is less fundraising and more THANK YOU!

There are a few more shirt/hoodie /sweatshirt options in the shop, as well as some masks and stickers. ENJOY!
